FURTHER ADVANTAGES OF BOOKING AT SUNNY CARS

- Easy booking via ATRIIS GTP
- Comprehensive services without deductibles, which exceed the classic insurance standards. This means no expensive additional insurances at the pick-up and no hidden costs.
- With the additional services, such as fast lane, a guaranteed "young car", no deposit or online check-in, the appropriate all-inclusive package can be booked together and is billed as complete price.
- The travel expense accounting is simplified, as all important services are already included in the total price due to transparent rental conditions.
- As Sunny Cars cooperates with various rental companies in the destination areas, you have a varied choice for your car rental with a unified service package.
- Full flexibility thanks to free cancellation protection and the possibility to change your booking free of charge until shortly before the start of the rental.
- Uncomplicated sending of documents via e-mail and using mobile vouchers (Apple Wallet).
- Special conditions for long term rentals can be arranged individually.
